In twenty-six short topical chapters, teens and young adults share their questions and real-life experiences about sexual relationships. Their questions range from "How far is too far?" to "What's wrong with cohabitation?" Two questions posed by many people of all ages both within and outside the Church are also treated: "Chastity sounds nice, but is it practical?" and "What do the Bible and celibate men know about sex anyway?"

Teens will find *A Case for Chastity* a readable and informative book, and their parents and teachers, particularly catechists and DREs, will find it an invaluable resource.
