Basics - A Beginner's Guide to Stage Management Peter Coleman

The fifth in Peter Coleman's popular Basics series, this title provides a practical insight into, and the definition of, the role of stage management. Further chapters describe Cueing or 'Calling' the Show (the Prompt Book), and the Hardware and Training for Stage Management. This is a book about people and systems, without which most of the technical equipment used by others in the performance workplace couldn't function. ©2007.
