'With the mind of a scholar and the heart of a pastor, Mark Fuller explores the Person and work of the Holy Spirit. Few Biblical truths have been so neglected and, at the same time, so misconstrued. This book will preach!' --J.K. Warrick, General Superintendent Church of the Nazarene 'Great book!! I truly enjoyed reading it and found it to be very valuable for my life and understanding of the power of the Holy Spirit and how He wants to live in and through my life.' --Dan Martin, President Mount Vernon Nazarene University The Holy Spirit is not someone to fear. If you're a Christian, He is part of you. There is a current explosion of interest in the spiritual realm by people from all religious backgrounds. Yet the Holy Spirit is the least known and understood member of the Godhead. Because we fear what we do not understand, many of us have chosen to simply avoid the subject entirely. The Holy Spirit makes real in us what Jesus Christ has done on our behalf when He died on the cross and rose to life again. A personal relationship with Him is not only possible, but critical to understanding and experiencing God's purpose for life. In this account, Fuller corrects popular misconceptions about the Holy Spirit. Consumed will educate you about the Holy Spirit and look at what the Bible teaches. See the difference He can make in your life and discover a dimension of God you've never experienced before.
