Hair: Fashion and Fantasy Laurent Philippon

Photographs of extraordinary hairstyles that will inspire anyone concerned with fashion, beauty, and visual culture

Throughout history, hairstyles have conferred status. Cleopatra wore elaborate braids; Marie-Antoinette's contemporaries competed to pile their hair outrageously high; punk fashion made a fetish of spiked and dyed hair. Hair expresses our individuality, and fashion designers, photographers, and style gurus love its infinite possibilities.

This book celebrates the art of hair. From African tribal fashions to today's new creations, each chapter explores a style such as braids, curls, chignons, short crops, Mohawks, and some wilder extremes. Rare archival images combine with fabulous work by stellar photographers including Duane Michals, Martin Parr, Patrick Demarchelier, Jean-Paul Goude, Herb Ritts, Helmut Newton, Robert Mapplethorpe, David LaChapelle, Nan Goldin, and others. These are accompanied by witty and informed contributions from fashion stars and world-renowned stylists from Vidal Sassoon, Orlando Pita, Julien d'Ys, and Sam McKnight to queen of burlesque Dita Von Teese, Nicole Tucker (Alicia Keys's hairstylist), and Kathy Phillips, former beauty editor at *Vogue*.

250 illustrations in color and black and white
