Laxton's provides you with 250,000 individually priced items that have been validated again and again by practicing quantity surveyors to ensure the very highest quality of information.

The section on alterations, repair and maintenance has been reviewed and expanded to offer an even greater range of items and prices. The range of composite items for approximate estimating has been increased to help with quicker costings.

With more prices, more detailed build-ups, and more information than any other source, Laxton's offers more practical and comprehensive information than any other price book available.

*Saving you time - comprehensive basic price and approximate estimating sections make putting together outline costings quicker and easier

*Saving you effort - all the information you need on each measured item is clearly set out on a single page, with a full break down of costs

*Saving you money - all 250,000 prices are individually checked and updated to make sure that your tender costs are precise
