Four women. Two years. A friendship to last a lifetime. The only things that Sharita, Thursday, Risa, and Tammy have in common are their disastrous love lives. But the year three of them turn 30 will be different, they swear! Sharita, a plump and conservative accountant wants to make partner at her firm and find the man of her dreams. Thursday, the daughter of a formerly chart-topping political rapper, wants to stop being a serial one-month stander, and settle down into a stable life with a stable boyfriend. Risa, a skinny and audacious electronica punk rocker, wants to finally land an album deal, which she feels is the only way to win back the heart of her on-again-off-again closeted girlfriend. And after getting fired as the spokesmodel for her family's hair company, sweet and gorgeous Tammy wants to prove that she has what it takes to make it on her own. None of these women get what they want, but over the course of two years, they get exactly what they need. And that proves to be the best thing after all.
