The Dead Sea Scrolls Reader

The Dead Sea Scrolls Reader

The purpose of *The Dead Sea Scrolls Reader*, is to enhance the research facilities of the individual texts within their respective genres. The nature of the Dead Sea Scrolls publication project was such that texts belonging to the same literary genre were published in different volumes in the *Discoveries in the Judaean Desert (DJD)* series, although those from cave 4 were often published by subject. The dispersion of these texts in several different volumes complicated their analysis, a problem that is now overcome in *DSSR*. This second and revised edition of the *DSSR* forms an updated and expanded publication, which replaces the six volumes of the first edition, as follows: - *DSSR II* Replaces Preliminary Editions of *DSSR I* with fine-tuned, published editions. - *DSSR II* Presents Improved or Revised Texts - *DSSR II* Features Texts Not Published in *DSSR I*. - *DSSR II* Reassembles Segmented Texts. - *DSSR II* Deletes Extremely Fragmentary Texts. - *DSSR II* Updates Names of Compositions. - Quotations in Pesharim and Commentaries. - Indecipherable Words/Single Letters."
