His friends are dead and now Derek is trapped as a human and branded by magic. Not that he has anything against humans, after all some of his best friends were human, however it's just not for him. Now thrown out of his own reality he has to find a way to break his bindings and find a way home. Although he is an accomplished psychic Derek realizes that perhaps this may be the wrong skill set to bring to bear on ancient magics and devilish dragons. Now he has to explore the very building blocks of magic to take control of his destiny. Unexpectedly, while he's taking control, events occur that may lead to the end of the world as we know it. Mad mages, hordes of demons and unfortunate explosions follow him as he attempts to save the world. Which begs the question, what does happen after the apocalypse?
