Airplanes take the high road - crossing cities, oceans and deserts around the world. From 30,000 feet (and higher) you will experience a constant change of beautiful landscapes, vibrant sunsets and interesting cloud formations. The spectacular images, insights and perspectives from the cockpit just want to be captured. Josef Willems, pilot and photographer ([www.joe-photo.com](http://www.joe-photo.com)), regularly flies different destinations around the world, part of his flight preparation is packing his camera gear. In this calendar he shows an impressive collection of unique photos. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
