Current Surgical Therapy, 12e (Current Therapy) John L. Cameron MD FACS FRCS(Eng) (hon) FRCS(Ed) (hon) FRCSI(hon), Andrew M Cameron MD PhD FACS

For more than 30 years, *Current Surgical Therapy* has been the **go-to resource** for both residents and practitioners for expert advice on **today's best treatment and management options for general surgery**. The 12th Edition, by Drs. John L. Cameron and Andrew M. Cameron, remains the ideal reference for written, oral, and recertifying board study, as well as for everyday clinical practice. **Twelve brand-new chapters and many new contributing authors** keep you up to date with recent changes in this fast-moving field, helping you **achieve better outcomes and ensure faster recovery times** for your patients.

- Presents **practical, hands-on advice** on selecting and implementing the latest surgical approaches from today's preeminent general surgeons.
- Approaches each topic using the same **easy-to-follow format**: disease presentation, pathophysiology, and diagnostics, followed by surgical therapy.
- Discusses **which approach to take, how to avoid or minimize complications, and what outcomes to expect**.
- Helps you visualize how to proceed with **full color images throughout**.
- Trusted by generations of general surgeons as **the definitive source on the most current surgical approaches**, providing a quick, efficient review prior to surgery and when preparing for surgical boards and ABSITEs.
- **Expert Consult™ eBook version included with purchase**. This **enhanced eBook experience** allows you to search all of the text, figures, and references from the book on a variety of devices.
- Features **nearly 300 succinct, well-illustrated chapters** that summarize today's best treatment and management advice for a wide variety of diseases and associated surgeries.
- Includes **twelve brand-new chapters** covering islet allotransplantation; lower extremity amputations; prehospital management of the trauma patient; ERAS: colon surgery; minimally invasive pancreatic surgery; five new chapters on the breast, and more.

From reader reviews:

Kristin Todd:

Book is actually written, printed, or highlighted for everything. You can realize everything you want by a publication. Book has a different type. As you may know that book is important thing to bring us around the world. Alongside that you can your reading ability was fluently. A guide Current Surgical Therapy, 12e (Current Therapy) will make you to always be smarter. You can feel far more confidence if you can know about every little thing. But some of you think this open or reading the book make you bored. It is not make you fun. Why they can be thought like that? Have you trying to find best book or ideal book with you?

Antoine Harris:

Why? Because this Current Surgical Therapy, 12e (Current Therapy) is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will distress you with the secret that inside. Reading this book beside it was fantastic author who also write the book in such wonderful way makes the content inside of easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of gains than the other book have such as help improving your skill and your critical thinking method. So , still want to hesitate having that book? If I ended up you I will go to the e-book store hurriedly.

Tammi Rosado:

Do you have something that you prefer such as book? The guide lovers usually prefer to select book like comic, short story and the biggest one is novel. Now, why not trying Current Surgical Therapy, 12e (Current Therapy) that give your satisfaction preference will be satisfied by reading this book. Reading addiction all over the world can be said as the opportunity for people to know world considerably better then how they react to the world. It can't be stated constantly that reading behavior only for the geeky particular person but for all of you who wants to always be success person. So , for all of you who want to start studying as your good habit, you may pick Current Surgical Therapy, 12e (Current Therapy) become your personal starter.

Debbie Clark:

In this period globalization it is important to someone to find information. The information will make a professional understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, newspapers, book, and soon. You can view that now, a lot of publisher this print many kinds of book. Typically the book that recommended for your requirements is Current Surgical Therapy, 12e (Current Therapy) this e-book consist a lot of the information from the condition of this world now. This specific book was represented so why is the world has grown up. The language styles that writer value to explain it is easy to understand. The actual writer made some study when he makes this book. That is why this book suitable all of you.
