It continues with help for pre-readers addressing pre-reading skills, phonemic awareness skills, and phonics skills. Presentation then continues with help for beginning readers, addressing vocabulary development, comprehension skills, and reading fluency. Included are suggestions for helping successful readers maintain skills, as well as suggestions for helping struggling and reluctant readers. Also included are helpful hints for getting involved in the school education process as well as activities for reading around the home, games to play, and summer activities. You may be surprised at how much a simple daily effort will pay off. Someday your child will start reading to you, and better yet, someday your child will pass along these activities to your grandchildren. That will be doubly rewarding and fun to watch.
