Keeping Up with Craft Beers: A Journal for Your Tasting Adventures Frank Regan

Keeping Up with Craft Beers is a handy journal for recording your craft beer tasting experiences. The increasing choices and variety of beers with clever and sometimes similar names can make it hard to keep track of the delights and disappointments found on tap and in stores. You can list and score 100 craft beers as well as note breweries, brewpubs, and beer festivals you have or want to visit. Suggestions for use include designating one journal for a favorite brew pub that offers a large variety of beer and to keep separate journals for breweries visited and sampling done, and for beer festivals attended. Its size makes it easy to keep with you and store in your backpack, purse, or glovebox. Great gift for the craft beer lover in your life.
