Derelict Relentless Aaron, 50 Cent

From hip hop kingpin and #1 *New York Times* bestselling author 50 Cent comes a gritty novel that dares to tell the truth about the Life on the Street: One man did his time...but now he wants payback.

His Freedom Came with a Price.

Who's gonna hire an ex-con? That's just one question facing Jamel Ross after he is released from seven years in the Federal Pen. But that's not his only problem. There's a probation officer watching his every move. There are the women in his life, who all want a part of him - his girlfriends and one very sexy psychologist who worked overtime on Jamel in prison. Then there's the payback plan he's been dreaming of, getting revenge on those who put him away. It's a fine line between winning and losing, and Jamel must decide if the world will forever see him as a derelict, or if he will rise above the past. But someone has an agenda of his own - and he's ready to take Jamel down at any price.
