Bonus CD includes fonts, graphics, borders and patterns.

New and experienced scrapbookers alike will adore the stylish layouts and innovative approach offered by this exciting new book. Expanding on Quarry's *Easy Invitations*, *Easy Scrapbooking* teaches readers how to use their home computers as creative tools for easy printing of photos, titles, journals, borders and stickers. *Easy Scrapbooking* helps scrapbookers bridge the digital divide by introducing a new approach called "computer-assisted scrapbooking." Readers will learn ways to combine easy digital and printing techniques with traditional cutting and pasting to save time while producing stylish pages. Chapters and layouts are grouped by life events, including weddings, babies, birthdays, holidays, celebrations, travel and everyday memories. Each chapter presents scrapbook design techniques, including photo cropping, journaling, layout, and use of patterns, color, embellishments and fonts. Advanced techniques include text on a curve, patterned text, photo re-coloring, photo border design, pattern design, and electronic sharing via email and websites.
