## FREE TO SOLO FOR ALTO SAXOPHONE BOOK/CD

(Schott). This unique publication is designed to be a fun play-along book for students who want to enjoy soloing freely, instead of having to cope with too many scale changes. With interesting heads, and long open sections, the tunes encourage creativity over the inspiring contemporary material. This book is suitable for intermediate students seeking a challenge as well as more advanced players requiring additional material to explore. On the CD there are "minus one" tracks to play along with as well as complete performance versions so that the reader can draw upon different interpretations of the improvised material.
