According to the Travel Industry Association of America almost half of all trips taken in the U.S. include children. Globe Pequot's Fun with the Family series (formerly Family Adventure Guides) caters to this growing market with guides to the best family travel spots in 26 states. Written by parents for parents, this new and improved series is opinionated and personal. These revised books feature detailed lists of restaurants and lodgings for each destination, more detailed maps, age-appropriate guidelines, and quick-reference icons in each entry. Like asking a trusted friend for advice, this series gives the low-down on the most entertaining and educational places to go with younger children.
