## Missed Opportunity L Denise Brown

She didn't know how to give me what I needed. I didn't know how to ask.

The biggest opportunity we as humans miss is to love one another the right way. A lot of people have committed suicide because love wasn't patient and kind. It was jealous and proud. It demanded its own way. It was irritable and kept record of being wronged. It rejoiced at injustice and gave up too easily. It lost faith, never hopeful, and didn't endure through every circumstance.

Missed Opportunity is a daughter's story of how tense a mother-daughter relationship can be and how suicide was about to span three generations.
