**Digger: The Complete Omnibus Edition** Ursula Vernon

**Digger** Is a story about a wombat.

More specifically, it is a story by author and artist **Ursula Vernon** about a particularly no-nonsense wombat who finds herself stuck on the wrong end of a one-way tunnel in a strange land where nonsense seems to be the specialty. Now, with the help of a talking statue of a god, an outcast hyena, a shadow-being of indeterminate origin, and an oracular slug she seeks to find out where she is and how to go about getting back to her Warren.

**This Omnibus Edition** collects all six printed volumes, covering all twelve chapters of the complete story. It contains all the extra materials included in the individual volumes plus: a forward by Phil Foglio, a completely new story about Digger's travels, a (mostly) complete collection of Ursula's comments originally posted alongside the webcomic, and a color section of the original cover art and fan art.

**2013 Mythopoeic Awards WINNER**

**2012 Hugo Awards WINNER**
