Pathosis (A Dark Evolution) (Volume 1) J. N. LaVelle

Isla Perdida has been untouched by humans for hundreds of years. Until now. A team of researchers has landed on the rocky shores of this dangerous landscape, and discover that a horrific predator is waiting for them. It doesn't take long for this deadly arachnid to make its way from the humid island jungle to the American mainland. As this new threat terrorizes Southern Florida, a murderous infection begins to spread. Victims are piling up, and death is not the worst of it. Kala is a high school sophomore. She's tough, smart, and just a little awkward. Kala watches as terror grips her hometown. Then the people she thought she knew start to turn against each other. Kala, her family, and her best friend Abigail band together and struggle to survive this dangerous new place. Pathosis is an adventure through a landscape of horror.
