The Real Liddy James Anne-Marie Casey

"Smart and funny . . . Liddy will resonate for readers who love strong, mature women with a bit of Irish fire, as with fans of Cecelia Ahern and Marian Keyes and Maria Semple's *Where'd You Go, Bernadette*." --Booklist

A witty and captivating novel about a modern-day superwoman who leans in so far she falls over

Forty-four, fit, and fabulous, Liddy James is one of New York's top divorce attorneys, a bestselling author, and a mother of two. Armed with a ruthless reputation and a capsule wardrobe, she glides through the courtrooms and salons of the Manhattan elite with ease. What's her secret? Liddy will tell you: "I don't do guilt!"

This is the last thing literature professor Peter James wants to hear. Devastated by his divorce from Liddy six years earlier, the two have a tangled history his new partner, Rose, is only just sorting out. But Rose is a patient woman with faith in a well-timed miracle and she's determined to be sympathetic to Peter's plight. Together, Liddy, Peter, and Rose have formed a modern family to raise Liddy and Peter's truculent teen and Liddy's darling, if fatherless, six-year-old.

But when Rose announces she's pregnant, Liddy's nanny takes flight, the bill for a roof repair looms, and a high-profile divorce case becomes too personal, Liddy realizes her days as a guilt-free woman might be over. Following a catastrophic prime-time TV interview, she carts her sons back to Ireland to retrace their family's history. But marooned in the Celtic countryside things are still far from simple, and Liddy will have to come to terms with much more than a stormy neighbor and an unorthodox wedding if she ever hopes to rediscover the real Liddy James.

Fun, fearless, and full of heart, *The Real Liddy James* takes a fresh look at the balancing act every family performs. With the deft characterization and sharp wit that made her first novel an international bestseller, Anne-Marie Casey invites us into the ambitions, passions, and misadventures of this extraordinary heroine.

"Witty, clever, elegantly-written, fascinating and wise. I ADORED." --Marian Keyes, internationally bestselling author

"Whip-smart and crackling with energy . . . had me stopping nearly every page to read paragraphs out loud to anyone who would listen. A true delight!" --Elin Hilderbrand, *New York Times* bestselling author

From reader reviews:

Amber Weitz:

Do you have favorite book? If you have, what is your favorite's book? Book is very important thing for us to learn everything in the world. Each publication has different aim as well as goal; it means that book has different type. Some people really feel enjoy to spend their time to read a book. They may be reading whatever they take because their hobby is usually reading a book. Think about the person who don't like looking at a book? Sometime, man feel need book when they found difficult problem or maybe exercise. Well, probably you'll have this The Real Liddy James.

Elaine Harvey:

Nowadays reading books become more and more than want or need but also work as a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book that will improve your knowledge and information. The details you get based on what kind of book you read, if you want get more knowledge just go with schooling books but if you want experience happy read one using theme for entertaining including comic or novel. Often the The Real Liddy James is kind of reserve which is giving the reader unstable experience.

Lois Bottoms:

Information is provisions for individuals to get better life, information presently can get by anyone at everywhere. The information can be a information or any news even a problem. What people must be consider any time those information which is in the former life are hard to be find than now is taking seriously which one is suitable to believe or which one typically the resource are convinced. If you obtain the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen inside you if you take The Real Liddy James as your daily resource information.

Roger Moxley:

Reading a book to get new life style in this yr; every people loves to examine a book. When you read a book you can get a large amount of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. If you would like get information about your analysis, you can read education books, but if you act like you want to entertain yourself look for a fiction books, such us novel, comics, and soon. The The Real Liddy James will give you a new experience in reading through a book.
