Understanding Personal Auto Textbook

Understanding Personal Auto Textbook

This comprehensive course provides a thorough review of the *ISO Personal Auto Policy*. The *Declarations Page, four Insuring Agreements and General Provisions* are explained in detail.

The course employs a policy analysis approach in which the June 1998 edition of the *Personal Auto Policy* form is examined section by section. It also contains concrete examples of how insurance coverage applies, is limited or is excluded under the form.

Students will learn how the policy typically responds to various bodily injury, property damage and liability losses and how endorsements may be used to amend the basic policy form. The purpose of No Fault legislation and the three types of No Fault laws are also explained.

If you are taking this course for CE, the CE exam will automatically be added to your basket when selecting CE credit. Certain states require that a proctor/monitor supervise the exam taking process.
