This book is dedicated to wives and wives to be everywhere. We may not all find ourselves at the same place of struggle in our marriages, but if you have not been in any of these places mentioned in this little book, keep living. Becoming one is truly a process. You have two adult people of different genders, processing information in a different way and to all intents and purposes speaking two totally dissimilar languages. They love each other, and they were married in the sight of God and man... However; you woke up one day and said...Who on earth is this person and why is he in my space? Fear not wives and wives to be!! God has the answers for us. In fact he has the answer to all of our many questions that arose after we said... "I Do." Pray! Pray! Pray!
