On Beckett

Alain Badiou

On Beckett Alain Badiou

This translated collection of all of Alain Badiou's writings on Samuel Beckett makes clear Badiou's claim that "the lesson of Beckett is a lesson of moderation, exactitude and courage." A deliberate and erudite challenge to orthodox Beckett scholarship, these essays trace the development of Beckett's art from the expansive early works through the claustrophobic world of *The Unnamable* and finally to engagement with *Other and Love*. This contribution to literary analysis is an important addition to Badiou's increasingly popular philosophical works.
