Trainwreck: The Women We Love to Hate, Mock, and Fear . . . and Why Sady Doyle

She's everywhere once you start looking for her: the trainwreck.

She's Britney Spears shaving her head, Whitney Houston saying, "crack is whack," and Amy Winehouse, dying in front of millions. But the trainwreck is also as old (and as meaningful) as feminism itself.

From Mary Wollstonecraft—who, for decades after her death, was more famous for her illegitimate child and suicide attempts than for *A Vindication of the Rights of Woman*—to Charlotte Brontë, Billie Holiday, Sylvia Plath, and even Hillary Clinton, Sady Doyle's *Trainwreck* dissects a centuries-old phenomenon and asks what it means now, in a time when we have unprecedented access to celebrities and civilians alike, and when women are pushing harder than ever against the boundaries of what it means to "behave."

Where did these women come from? What are their crimes? And what does it mean for the rest of us? For an age when any form of self-expression can be the one that ends you, Sady Doyle's book is as fierce and intelligent as it is funny and compassionate—an essential, timely, feminist anatomy of the female trainwreck.

Adam Carter:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's internal or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Trainwreck: The Women We Love to Hate, Mock, and Fear . . . and Why can make you experience more interested to read.
