Willow Basketry and Sculpture Jo Hammond

An essential volume to get started weaving willow, including patterned projects and those of your own design

Willow weaving is an exciting and rewarding craft for anyone who wants to reconnect with the natural world. Included are projects on sculpture, basketry, and folk-art decorations. Basic techniques and basketry terms are explained and clearly illustrated, along with selection and preparation of materials, and 13 projects are set out in clear and detailed stages, ranging from practical baskets to planters, lifelike sculptures, and wreaths. Chapters describe four different basketry forms, each with a different set of structures and skills to learn, and advice is given on adapting recipes and designing one's own baskets.

From reader reviews:

Antonio Haynie:

As people who live in the particular modest era should be change about what going on or information even knowledge to make these individuals keep up with the era that is certainly always change and advance. Some of you maybe will certainly update themselves by looking at books. It is a good choice for you but the problems coming to you is you don't know what type you should start with. This Willow Basketry and Sculpture is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and need in this era.

Brenda Burrows:

Information is provisions for anyone to get better life, information currently can get by anyone at everywhere. The information can be a understanding or any news even a problem. What people must be consider whenever those information which is in the former life are challenging to be find than now's taking seriously which one works to believe or which one often the resource are convinced. If you obtain the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen inside you if you take Willow Basketry and Sculpture as the daily resource information.

Lillian Vaughn:

Reading a book can be one of a lot of exercise that everyone in the world adores. Do you like reading book so. There are a lot of reasons why people enjoyed. First reading a e-book will give you a lot of new information. When you read a e-book you will get new information mainly because book is one of several ways to share the information as well as their idea. Second, studying a book will make anyone more imaginative. When you studying a book especially fictional book the author will bring you to imagine the story how the figures do it anything. Third, you could share your knowledge to other individuals. When you read this Willow Basketry and Sculpture, it is possible to tells your family, friends as well as soon about yours book. Your knowledge can inspire different ones, make them reading a book.

Laura Ide:

Reading a book being new life style in this year; every people loves to learn a book. When you learn a book you can get a wide range of benefit. When you read books, you can improve your knowledge, since book has a lot of information on it. The information that you will get depend on what types of book that you have read. If you want to get information about your research, you can read education books, but if you want to entertain yourself look for a fiction books, these kinds of us novel, comics, and also soon. The Willow Basketry and Sculpture will give you a new experience in examining a book.
