Wendy looked at herself in the mirror. Her long blonde hair cascaded down her shoulders and over her ample bosom. She wasn't obese by any means, but being slightly overweight she had voluptuous curves that sat in all of the right places.

Wendy however did not see this. At 20 years old, she was barely experienced with the opposite sex, unlike most of the girls she went to school with, and it was simply down to Wendy's lack of self-confidence.

It would take a charming, handsome and charismatic CEO to rid Wendy of her self-esteem issues.

Low and behold Wendy finds herself working as a nanny for one of the richest men in town. And that is when the real fun begins...

Join Wendy on her quest for self-discovery with a little naughty fun along the way...
