Comstock Aaron Michaels

A young Shakespearean actor risks his life for love in the heart of the Comstock Lode. On the way to Virginia City in 1883, Reginald Grayson and his fellow actors are robbed at gunpoint when a masked bandit attacks their stagecoach. Penniless and left with no alternative but to perform on a stage at the back of a saloon, Reggie attracts the attention of a mysterious admirer. A man whose secret life plunges Reggie into a world of blackmail, corruption, and murderous greed. Leading gay fiction writer Aaron Michaels takes us on a powerful journey to the frontier days of the American West, a time when an enduring love can change the lives of more than just two men.

From reader reviews:

Allison Stiffler:

Spent a free the perfect time to be fun activity to complete! A lot of people spent their leisure time with their family, or their own friends. Usually they carrying out activity like watching television, going to beach, or picnic from the park. They actually doing same task every week. Do you feel it? Would you like to something different to fill your own free time/ holiday? Could be reading a book is usually option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of reserve that you should read. If you want to test look for book, may be the e-book untitled Comstock can be good book to read. May be it might be best activity to you.

Peter Barba:

The book untitled Comstock contain a lot of information on the item. The writer explains your girlfriend idea with easy means. The language is very straightforward all the people, so do not necessarily worry, you can easy to read that. The book was written by famous author. The author brings you in the new period of time of literary works. You can actually read this book because you can continue reading your smart phone, or device, so you can read the book with anywhere and anytime. If you want to buy the e-book, you can available their official web-site and order it. Have a nice learn.

Linda Harris:

It is possible to spend your free time you just read this book this publication. This Comstock is simple to develop you can read it in the park, in the beach, train and also soon. If you did not have got much space to bring the particular printed book, you can buy the actual e-book. It is make you much easier to read it. You can save typically the book in your smart phone. Thus there are a lot of benefits that you will get when one buys this book.

Gene Conley:

Many people spending their time by playing outside with friends, fun activity having family or just watching TV all day long. You can have new activity to enjoy your whole day by studying a book. Ugh, ya think reading a book really can hard because you have to accept the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Smart phone. Like Comstock which is getting the e-book version. So , why not try out this book? Let's observe.
