**Cow Are Cool! Love 'Em** Dr. Sahadeva dasa

This book deals with the internal lives of the cows and contains true stories from around the world. Cow is a very sober animal and does not wag its tail as often as a dog. This does not mean dog is good and cow is food. All animals including the dog should be shown love and care. But cow especially has a serious significance for human existence. Talk about cows' feelings is often brushed off as fluffy and sentimental but this book proves it otherwise.
