Everything That Could Not Happen Will Happen Now Alberto Ramirez

This book is published by Floricanto Press: www.FloricantoPress.com A riveting and poignant novel, “Everything That Could Not Happen Will Happen Now,” delves boldly into the issue of the racial divide in America, the stark reality of racism, and the Sisyphean struggle against its tragic repercussions.

Juan Juárez Bitol is on the verge of graduating from a prestigious California university and realizing the American Dream. Yet in the closing weeks of his last semester—having survived the rigors of academic life and a series of racially charged incidents—he attends a lecture on Beowulf. In the explanation of Wyrð, the Anglo-Saxon belief in personal destiny, Juan receives a prophecy revealing that he, like Grendel—the monster of the epic poem and member of the “loathsome race”—is doomed. Wavering between fatalism and free will, Juan ultimately dons the mantle of monster-messiah and sets out to perform the miracle of saving himself.

“A stunning debut novel shimmering with magical realism and lyrical beauty . . . a searing and heartbreaking portrait of alienation in America.” - Emily C. Creigh, Co-Author “Journey to the Heart of the Condor: Love, Loss, and Survival in a South American Dictatorship.”

“. . . Ramirez has created one of the most memorable Latino characters in a very long time with his Juan Juárez Bitol, a young man trying to stay afloat amongst the privileged denizens of elite academia . . . this is a very smart book with a heart and a message for our confused, xenophobic times.” -Manuel Luis Martinez, Author of “Los Duros.” American Book Award Winner, 2015

Alberto Ramirez was born in East Los Angeles and studied English literature at UCLA. He has contributed forthcoming work to Westwind Journal of the Arts. “Everything That Could Not Happen Will Happen Now” is his first novel. Floricanto Press

From reader reviews:

Gracie Davis:

Book is definitely written, printed, or descriptive for everything. You can understand everything you want by a guide. Book has a different type. We all know that that book is important thing to bring us around the world. Next to that you can your reading skill was fluently. A book Everything That Could Not Happen Will Happen Now will make you to always be smarter. You can feel much more confidence if you can know about everything. But some of you think in which open or reading any book make you bored. It isn't make you fun. Why they could be thought like that? Have you looking for best book or appropriate book with you?

Rina Reese:

Is it you who having spare time in that case spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This Everything That Could Not Happen Will Happen Now can be the response, oh how comes? The new book you know. You are so out of date, spending your spare time by reading in this completely new era is common not a nerd activity. So what these books have than the others?

Garland Thorpe:

As we know that book is significant thing to add our information for everything. By a publication we can know everything we really wish for. A book is a set of written, printed, illustrated as well as blank sheet. Every year seemed to be exactly added. This guide Everything That Could Not Happen Will Happen Now was filled in relation to science. Spend your free time to add your knowledge about your research competence. Some people has diverse feel when they reading the book. If you know how big benefit of a book, you can feel enjoy to read a book. In the modern era like at this point, many ways to get book that you just wanted.

Carmen Pinto:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Everything That Could Not Happen Will Happen Now can make you really feel more interested to read.
