## **Description**

Leigh Earle once told me that I should write a book, a comment on my lengthy letters. Yes, yes well someone must suffer. How well would everyone like to read "Letters To Leigh" which may soothe in a world that is tearing you apart. What is the state of your heart which once may have been so large? Robert Nix has through consequence of chance and circumstance beyond his control lived a life of treasure and desolation and is as of now offering solace to other persons who just cannot figure their life out but cannot let those thoughts from their minds; whatsoever they may be, they are real. Robert Nix offers his soothing poetic experience to you.

## **About the Author**

It may be considered a curious attribute of men and women to express and share their pain. There may be those who do not translate their pain well into modes that others could be accustomed to among the observing public. Pain may be considered to be private and once a person entrust their pain to another persons care there will invariably be mistranslation.

I was happily born on July 21, 1964 from the womb of a woman named Emily Sue Medlock who was married to Robert Sherman Nix, Jr.; I was a child knight. Luna to some is a light.
