Windows on the World Books have found a wide audience among archair travelers of all ages though originally targeted toward younger audiences aged 8-18.

Let's travel together to the islands of Paradise, truly one of the Wonders of the World. When we arrive our friend Ayesha welcomes us and shows us the way Maldivians live. We have a special privilege of visiting remote islands that outsiders usually do not see. We travel by dhonis (local water taxis) and when traveling by speed boat encounter a squall and wonder if we might never see home again. We snorkel with friends among the most incredibly beautiful reefs in the world, go night fishing when the moon is full and hear wonderful stories about Maldives, its traditions and its friendly people.
