What's worth the most investment, the wedding or the marriage? So often couples make the mistake of committing before connecting! Everyone wants good relationships, but many people are confused about how to establish and maintain them. This is particularly true when it comes to marriage. Unfortunately, in an issue in which it should speak in a clear voice, the church today often sends a message that is just as confused as what the world says. Christians divorce at almost the same rate as non-Christians, and many believers are unsure of the biblical standards regarding sex, infidelity, unfulfilling marriages, premarital sex, and divorce. In *The Rib Connection*, Carlos L. Malone, Sr. strips away the confusion and gives clear, biblical answers to these and other questions related to marriage and relationships. Are you single and looking for your love connection? He addresses the importance of communicating before marriage. Are you married and unfulfilled? He discusses how to discover the unique needs of your mate---and how to have your mate fill your unique needs. He also lays out principles for dealing with---and avoiding---the problem of infidelity. *The Rib Connection* faces the daunting issues of marriage and relationships with refreshing clarity.
