Arcaid Images. Architecture Photography Awards 2012-2015

Arcaid Images is a world-leading resource for imagery of the built environment and is used globally by advertisers, architects, publishers and educators. It represents a diverse range of photographers worldwide who focus their cameras on architecture, homes, heritage and destinations. Arcaid images was founded on the work of architect-turned-photographer Richard Bryant, making the photography of architecture of particular interest. And the World Architecture Festival exemplifies the need for the best architectural photography. Over 2000 professionals from more than 145 countries gather annually to show and appraise each others work. This book seeks to record, celebrate and give a permanence to the first four years of the Arcaid Architectural Photographer Awards.
