Dojo Daytrip

Dojo Daytrip

The six little ninjas of *Dojo Daycare* are back and rowdier than ever during a field trip to the farm. From the moment the ninja boys and ninja girls step off their minibus, mayhem ensues.

Farm activities like feeding a pig, milking a cow, and plowing a field dissolve into chaos as the master slips into the slop trough, is chased by a bull, and then is dragged through the hay. YIKES! YEE-OW! It's a barnyard disaster. Meanwhile, the mischievous ninjas run rampant, setting chicks free and splitting fences, until they remember to shape up and honor their creed: *Always help someone in need.*

Chris Tougas' digitally rendered ninjas pop off the page once again in this laugh-out-loud story. Told in rhyming verse with a playful rhythm, accompanied by hilarious illustrations and big sound effects, *Dojo Daytrip* makes for a riotous read-aloud with a kindhearted message.

From reader reviews:

Karen Ruiz:

As people who live in often the modest era should be upgrade about what going on or facts even knowledge to make them keep up with the era that is always change and advance. Some of you maybe may update themselves by reading books. It is a good choice to suit your needs but the problems coming to you is you don't know which one you should start with. This Dojo Daytrip is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

Deanna Stewart:

Often the book Dojo Daytrip has a lot associated with on it. So when you make sure to read this book you can get a lot of profit. The book was written by the very famous author. Mcdougal makes some research ahead of write this book. That book very easy to read you can find the point easily after reading this article book.

June Weiss:

Is it an individual who having spare time subsequently spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This Dojo Daytrip can be the solution, oh how comes? A fresh book you know. You are therefore out of date, spending your time by reading in this brand-new era is common not a geek activity. So what these guides have than the others?

Ryan Donahue:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the educator want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Dojo Daytrip can make you truly feel more interested to read.
