## **Hellenistic Civilization and the Jews** Avigdor Tcherikover

The encounter between Jews and Greeks marked one of the most revolutionary meetings in the ancient world, for in that encounter politics, economics, culture, and religion changed dramatically. Victor Tcherikover, who devoted his entire scholarly life to the study of the Hellenistic period, offers here a benchmark assessment of that encounter. In this reprinted edition of his most famous work, including a new preface by University of Chicago Professor John J. Collins, Tcherikover uniquely combines "analyses of two of the most intriguing episodes of Jewish history in antiquity: the events that led to the Maccabean rebellion and the struggle for rights in Alexandria in the first century CE" (from the preface).
