Winning Legal Strategies for Bankruptcy and Restructuring is an authoritative, insider's perspective on the complex issues companies in financial trouble often face, including the difficult first decision of whether the company should reorganize or liquidate its assets. Featuring department heads, group chairs, and leading partners representing some of the nation's top firms, this book provides a broad, yet comprehensive overview of both the bankruptcy and restructuring processes, discussing the current and future state of each. From preplanning, filing, and through negotiations with creditors, these authors articulate how to minimize risk and personal liability while working in the company's best interest and retain-ing key personnel. The different niches and the breadth of perspectives represented by these outstanding authors enable readers to get inside some of the great legal minds of today, as experts offer up their thoughts around the keys to success. With practical tips and useful sample documents, this book is critical reading for anyone involved in a bankruptcy or restructuring.
