It is often said that there is no faster path to change than great pain, and Jack Burton has no small share when it comes to his own. Driven by frustration and failure, a chance meeting with an unlikely mentor propels Jack toward three extraordinary people that plant the seeds of discovery he must now nurture and grow to find the remedy to his misfortune. Like all great endeavors, the path is unexpected, and Jack soon finds himself body and soul deep into the mystery of personal philosophy and how it is inextricably woven into the fabric of success for all.
