The Psychology of the Movements of Handwriting (Psychology Revivals) J. Crépieux-Jamin

Originally published in 1926, this title is a summary in English of the works of the great French graphologist Jules Crépieux-Jamin. He was recognised at the time in France as the first authority on the subject of graphology, but was less well-known in England and America. This title brought his work to the English speaking world and he went on to be known as one of the most important exponents of graphology.
