Extensively researched and heavily documented book, giving information on literally hundreds of Civil War shipwrecks (many yet to be discovered and salvaged) in the waters of North Carolina, South Carolina and Georgia. Over one hundred illustrations (maps, photos, prints). Has individual chapters about Dr. Spence's discoveries of the Civil War submarine Hunley, the Confederate "privateer" Georgiana, and the identity of the "real Rhett Butler." An excellent book for reference or pleasure.
