## **What Am I Feeling?** John Gottman PhD

Adapted from Dr. John Gottman's *Raising an Emotionally Intelligent Child*, this book helps adults identify their parenting and care giving style. It explains the five important steps in "emotion coaching" children to ensure that children are guided to healthy emotional growth. Gottman argues that kids who can accept and share their emotions form stronger friendships, achieve more in school, recover from emotional crises more quickly, and are physically healthier. Beautiful illustrations of parents and children help convey the vital message of this guide.
