Are you driven by instinct, or PURPOSE? What is your purpose with the people in your life? What do “purposeful friendships” look like? We meet dozens of people in our day-to-day life and hundreds more in our weekly routines: neighbors, strangers, friends, acquaintances, partners, spouses, siblings, family, members of your church or community, bosses, coworkers, and plenty more. Employed, unemployed or self-employed, we all have Facebook friends, phone contacts, family and strangers we interact with every day. People. Souls. Hearts. For what purpose? In her third installment of the winning “Purpose Now!” series, Life coach Delina Fajardo captures the secret of bringing clear purpose to our relationships. Her book, “Are We Friends OR Acquaintances: Discovering Your Purpose with People” is a fine read, and inspires you to celebrate the people in your life. Through this book, you will learn: •That Life is a mirror, constantly reflecting what you are inside, through the people you invite into your life, outside. •To read and refine the circle of relationships in your life and connect with the true purpose of friendship. •The difference between friends and acquaintances and the virtues of being a capital ‘F’ Friend! •Why some strangers feel like friends while erstwhile close friends become acquaintances. •The real purpose of Facebook, texting and modern technology in our friendships. •To heal and restore broken friendships. •To champion your most “intimate” friendships. As you can see, this IS the holy grail of purposeful relationships!
