## **Runes Soraya**

Soraya has found that the runes, time and time again, are the most accurate of all the esoteric disciplines. Each of the 25 ancient symbols tells its own centuries-old story and in this book, Soraya explains the stories to help you use them for divination. Her stories also help to make the stories more memorable. She gives a background to the origin of the mystic alphabet and explains how to find and use your own runes.
