Sometimes Riley and Jack have to be the ones to fight other people's battles and stand up for what is right.

With the life changing prospect of a yes vote from SCOTUS on the issue of same sex marriage, Riley and Jack realise they have decisions to make. Add in some distressing family news and the very real possibility that old secrets may resurface, and this last book in the Texas series pulls together as many threads as the boys can manage to handle.

But through all the ups and the downs, children, family events, laughter, and tears, there is nothing as special as the forever love between these two men.
