**The Rigor of Things: Conversations with Dan Arbib** Jean-Luc Marion, Dan Arbib

**In a series of conversations, Jean-Luc Marion reconstructs the path of a career's work in the history of philosophy, theology, and phenomenology.** The conversation ranges from Marion's engagement with Descartes, to phenomenology and theology, to Marion's intellectual and biographical backgrounds, concluding with **illuminating insights on the state of the Catholic Church today** and on Judeo-Christian dialogue.

In these interviews, Marion's language is more conversational than in his formal writing, but it remains serious and substantive. The book serves as **an excellent and comprehensive introduction** to Marion's thought and work.
