The Three Little Pigs with Other (Story in a Box) Annabelle James

Help make reading interactive! This classic tale is simply told in a board book that features a built-in drawer in which are seven stand-up story characters and props. A child can use the sturdy cut-outs to retell the story in her own words or make up a new story. This version has no gratuitous violence. The wolf ultimately is propelled back up the chimney by the heat of the boiling pot - never to be seen or heard from again. The stand-up characters spark imagination and encourage creativity and story-telling skills. A child can actually make the wolf knock down the house of sticks and the house of straw! This new interactive reading concept is also appealing to a child who is a restless reader.
