**One Drunk in the Family is Enough: The Adventures of Lily Sutton # 2 (Volume 2)** Linda Scott Enakevwe

One Drunk in the Family is Enough: The Adventures of Lily Sutton Book Two is the second book in The Adventures of Lily Sutton Series. This story is set in a small town where everyone knows everyone. It becomes evident in the story that everyone knows everyone when the lessons that parents learned the hard way are passed down to the children as lessons not to be repeated. With a gentle hand, the author touches on the lingering effects that alcoholism can have on a family from the oldest member to the youngest. Pain cuts deep and sometimes without even realizing it, pain can be passed down to generations even when one's intentions all along were to protect. This book gives a tour through small town life where expectations for life are lived and honored through manners and behaviors that are upheld regardless of outside pressure. It is evident that "Doing the Right Thing" reigns in terms of what is acceptable from young people and what simply is not. One Drunk in the Family is Enough: The Adventures of Lily Sutton is entertaining to all ages from 9 to 100. No profanity, no vulgarity, and no sex is within this text. This book can be used in the classroom as a teaching tool for whole class reading and discussion especially for the teaching of characterization and inference.
