Written by the text authors to ensure accuracy and quality consistent with the text, the study guide and working papers for text assignments are provided together in one convenient resource. Students can reinforce their learning experience with chapter outlines that are linked to learning objectives and a set "C" of assignments that include review questions, exercises, and problems. The working papers are tailored to the text's end-of-chapter assignments. (Solutions for the working papers are included in the Solutions Manual. Solutions for Study Guide assignments are available separately).
