Mendel Rosenbusch - Tales for Jewish Children is a neglected collection of folk-tales for Jewish children, originally published in Germany in 1929.

Children and even some adults in a Jewish settlement in eastern Europe are bedazzled by a village elder whose magical powers show them how to behave. In the story, Mendel Rosenbusch - a kind, elderly gentleman - mysteriously receives a magic coin that allows him to become invisible at will. He uses this power to perform anonymous good deeds for his neighbors.

This edition was translated into English by Ruth and Hans Fisher.
