Pirate Freedom Gene Wolfe

It starts with a confession from a priest. His past has reached further back than what many would consider possible. Before he was a priest, he was the pirate Captain Cristoforo, and before he was a pirate, he was just Chris, a boy living in a monastery in Cuba the day after tomorrow.

One day Chris realizes that he is not meant for the monastery he has grown up in, and leaves. On the streets of Havana everything looks strange and out-of-date, but Chris is too busy trying to find his next meal and a safe place to sleep to contemplate the city's odd lack of modern conveniences. He finds that this world is a much harder one than the one he remembers; it's a place where people steal, lie, and cheat. Where slaves are sold at auction, and the Spanish, French, and English are all battling for supremacy. When Chris is offered the opportunity to work on a ship in exchange for food and a small bit of money, he takes it, and thus begins his life as a pirate. People die, treasures are found, women are taken captive, and crews rebel.

Gene Wolfe is a masterful storyteller, and in *Pirate Freedom*, he uses his customary vision to invite us into the captivating world of pirates, their lives, and their adventures.
