(R)evolutionary Christ Dihan Matthys Struwig

This book is based on the M.A.Th. thesis in systematic theology that was written by the author for the completion of this degree. In this book the effect of the evolutionary theory on the doctrine of Jesus is discussed. This is done by looking at the development of the doctrine as well as taking the contributions of the leading researchers on the topic into consideration. This book aims to create a space of mutual understanding regarding the faith and science debate.
